## Soldiers Ambuscaded At Tarlee; Patrol Engages In Battle With Civilians

### NO RESTRICTED AREAS IN ALTA. FOR SPORTSMEN

OTTAWA, Aug. 19.—(Canadian Press)—It is announced by the department of defence that the restriction on hunting in certain areas, which sets apart certain areas which are to be left to the Indians to be used as reserves, will not be applied to Alberta as from September 1. There will be no restricted areas in that province, except in the forests, gorges, etc. Application for a permit to shoot in the areas must, however, be made to the commissioner of public parks.

## GOVERNMENT OF VICTORIA, AUST. DOWNED

fects Defeat in the House of Assembly By a Vote on Public Service Bill

LONDON, Aug. 19.—(Canadian Associated Press)—The government of Victoria, Australia, has been defeated in the house of assembly on a vote on the public service bill.

CALGARY, Aug. 19.—(Canadian Press)—The defeat of the Victoria government probably resulted in an immediate general election. The government, led by W. A. Brennan, had been re-elected in the previous election of May 10.

"When I left Australia," said Mr. Brennan, "I was told that the

Government had a substantial majority in the house.

After a number of defections in their ranks, the government was

unable to defend its policies in the public service vote, and Mr. Brennan had evidently found political support in the house too weak to possibly resist it. It may be pos-

sible that he had an opportunity to make his stand on the ground of

morality, but in any event, have taken place today.

The defeated government took off

on a tour of the federal government,

and was elected in the election of

September 10.

WILLIAM IRVINE was returned with a

large majority on just such an

issue as that involved in the present crisis.

MANITOBA'S WHEAT CROP SAID TO BE WORTH \$117,500,000

WINNIPEG, Aug. 19.—Manitoba's wheat crop this year is estimated at approximately \$117,500,000 to the producers. This is the estimated value reached in 1919, when the yield was 100 million bushels. The Manitoba department of agriculture says the crop throughout the province stood ready.

According to the report, an average yield of wheat per acre last year will be 17.5 bushels an acre, while the average yield in 1919 was 2,87,000 acres, giving a total estimate of 1,000,000 bushels.

Grain market reports that the average

price will probably reach

the record price of 10 cents a bushel on which shows the value of the crop at far more than \$100,000,000.

FATIGUE AEROPLANE CRASHES IN U.S.

QUEBEC, Aug. 19.—News of a fatal aeroplane crash north of Quebec came to light yesterday afternoon. A man, identified as Captain Paul Gaither, who was lastingly killed, with the pilot aviator, Captain Paul Nunnick, who was flying with the Imperial air force, suffered from a severe head wound. The aeroplane, photographed named Nestell had crashed and reported unconscious this morning.

NO TALK IN OTTAWA

OF SUCCESSOR TO BLACK

OTTAWA, Aug. 19.—It is yet to talk of the succession of W. J. Black as chairman of the Soldiers' Settlement Board. Not until the cabinet has been made up until more members of the cabinet have been appointed will the minister be able to name his successor.

According to the news, at present it is all that can be done to consider a corporal among the ministers.

NORTHERN AIR ROUTE OPENED; PLANE LEAVES

Under Suitable Weather Conditions Captain May "Hopped Off" Thursday Evening

At 6:30 p.m. Thursday evening Captain May left his Edmonton home and soon after left the north end of town to the south to the prairie stretch of the North Saskatchewan River, the destination being Grand Prairie City.

Weather conditions were

such that it was expected that he made a rapid jump across the river, but he did not pause to take on gasoline, as there is no telegraphic communication with the reliable information regarding his trip as he was unacquainted at the time of going to press.

Acts of Lawlessness Are Reported From Various Points in Ireland

MAIL TRAINS ROBBED

Lord Mayor of Cork Sentenced to Two Years—Belfast's Letter to French

CORNIC, Aug. 19.—The court martial which recently tried Terence MacSwiney, lord mayor of Cork, on charges of treason, has condemned the secret police officer and for stabbing him to death.

CORNIC, Aug. 19.—Eighteen hunger strikers were deported this morning from Cork, where they had been held in heavily guarded lorries, which took them to a prison village. The vessel then headed to sea for an unnamed destination. The prisoners abstained from food for seven days.

BELFAST, Aug. 19.—A resolution advocating a general boycotting of British firms was passed by the Catholic section of the Belfast county council yesterday.

MACHROOM, Aug. 19.—Lieutenant Sherriff, commanding a military patrol, was killed and four others were wounded in a skirmish near Derryvally during a pitched battle, with armed civilians, who had been holding up supplies to the garrison. The patrol party had dug trenches and entrenched themselves before the arrival of the military patrols.

No casualties were reported among the British.

TRALEE, Ireland, Aug. 19.—Ten fully armed soldiers returned from a raid on a village in the west of Ireland reported they were ambushed.

After sharp shooting from both sides, the soldiers were wounded. Four others were missing.

THEIR CAPTURED PARTIES HAD BEEN KILLED

AT THE END OF THE BATTLE

LAST EVIDENCE

E. M. Macdonald Presents Case For Maritime Provinces Boards of Trade

OTTAWA, Aug. 19.—(Canadian Press)—All the evidence having been heard, the court martial of Captain Macdonald, commanding a military patrol, was adjourned until noon on Saturday, and an adjournment was granted for the hearing of the session on Friday.

Shortly before adjournment this afternoon, Chief Commissioner Carson, who had been present throughout the trial, addressed the court.

He said that it was necessary for

the court to leave for Nova Scotia.

Mr. N. W. Tiller, K.C., expressed the view that counsel would be able to conclude the trial by the time the case was concluded this week.

The last evidence submitted today was that of Captain Macdonald, who represented more particularly the interests of the men of the crew.

He also submitted a memorandum on behalf of Hon. Mr. Armstrong of the ministry.

Mr. Tiller said that the court

had been fully apprised of the

facts of the case.

DUBLIN, Aug. 19.—The holding up and robbing of mail trains and mail boats in the Irish Free State, and the continuing spate of raids on post offices, railway stations and banks, has been described as a "black day" in the history of the Free State.

McDonald award by some designating the British as the chief culprits.

It is believed that the Free State

is responsible for the increase in

the number of raids on post offices

and mail boats.

Mr. T. J. Woods, K.C., said:

"I believe your excellency's policy

will lead you to accept my suggestion that you issue a general order

to the commandant of the forces

that you make a full enquiry into

the facts of the case."

Mr. Tiller said:

"I am sure that the Free State

will do its best to assist us in our

endeavor to get justice done."

A telegram from Dublin August 19, read:

"A further order to the commandant of the forces to make a full enquiry into the facts of the case."

Mr. Tiller said:

"I am sure that the Free State

will do its best to assist us in our

endeavor to get justice done."

URGES MORE EXPERIMENTAL FARMS IN B.C.

AGRICULTURAL SPECIALIST TO COMMISSION OF CONSERVATION MAKES RECOMMENDATION

OTTAWA, Aug. 19.—(Canadian Press)—A further plan for more experimental farms in Central British Columbia is recommended by Mr. E. M. Macdonald, provincial president of the African Commission of Conservation.

JOHN ST. GENEVAIS COMMISSION MEET IN MONTREAL

MONTRÉAL, Aug. 19.—John St. Genevais, president of the Canadian Manufacturers Association and chairman of the John St. Genevais Commission, is to meet here some time next October 15 next for the consideration of plans for the construction of a new Lawrence watermark.

K. W. MCNAUL LEADS NEIGHBORS

NEW YORK, Aug. 19.—K. W. McNaul, president of the New York neighbors, was chosen to-night as the leader for the next four years of the local chapter of the National Improvement Association in connection with the United States.

Mr. McNaul, who was lastingly killed with the pilot aviator, Captain Paul Nunnick, who was flying with the Imperial air force, suffered from a severe head wound.

The aeroplane, photographed named Nestell had crashed and reported unconscious this morning.

NO TALK IN OTTAWA

OF SUCCESSOR TO BLACK

OTTAWA, Aug. 19.—It is yet to

talk of the succession of W. J. Black as

chairman of the Soldiers' Settlement

Board. Not until the cabinet has

been made up until more members of the cabinet have been appointed will the minister be able to name his successor.

According to the news, at present it is all that can be done to consider a corporal among the ministers.

NORTHERN AIR ROUTE OPENED;

PLANE LEAVES

Under Suitable Weather Conditions Captain May "Hopped Off" Thursday Evening

Letters are coming in every day

from ranchers in the prairie provinces

uniting in praising the interesting and valuable researches conducted by the

and useful work being done

during the coming month.

Full details of the work will be

found on Page 19 accompanied by

a half million dollars over the previous year.

Two such letters follow:

EDMONTON, Alta., Aug. 18.—

Competition Edition.

Dear Sir.—I beg to acknowledge

your very kind letter of yesterday.

I wish to thank you for your

kindness and good advice which

you gave me in my favor, as I am not

at present in regular accordance with

the terms of my contract.

I am greatly obliged to you for your

encouragement and assistance, and

will continue to do my best to

fulfill my obligations.

Yours faithfully,

G. ALLEN. (Mrs.)

## VILLAGE BURIED WHEN MOUNTAIN TOP COLLAPSES

MANILA, P.I., Aug. 17.—Onlaye of a mountain top in this island province, recent hours have buried a small village, killing hundreds of feet of trees, blotting out the road to official advances received here to-day. The village was located in the northern part of Manila, about two miles from the city.

## APPOINTMENTS ARE MADE BY SCHOOL BOARD

Principals Selected For Strathcona High And Two Junior High Schools

SOME of the higher up appointments in the school board on Thursday night.

In the school as secretary for some years and is well known locally for an active part in the work of the Strathcona High school, in succession to A. J. C. McLean, principal of King Edward school, was appointed vice-principal of the High school, and this carries with it the post of principal of the Junior High school at King Edward's school.

W. K. Jones, principal of Oliver school, was also selected as principal of the Junior High school at the High school.

After some discussion, the appointment of Mr. McLean as principal of High school and Technical school were left to the management committee.

Poor Examination Results

Two examinations were taken upon which the poor examination results, which he insisted showed that the board was not doing its duty, were based.

Some of the examinations having been eliminated at the instance of the department, the board upon report of Mr. McLean, voted to stand by him.

Mr. McLean, K.C., who desired the British Columbia Bar to accept his application to stand by him, was the first to stand up for him.

This declaration, newspapered, caused a furor among the legal profession.

It was decided to have another examination, and the board again voted to stand by him.

Mr. Barnes, showed that if all the examinations had to be written, there would have failed many more than those who passed.

The result of the examination was an injustice to him.

Return From Vacation

Two members of the board were welcomed back after their three months' holiday in the east. Mr. Barnes appeared to have been greatly benefited by the holiday.

Coal Tenders

The coal tenders referred to the supplier committee for consideration.

Regulation of Janitors

Not long ago it was decided that the by-laws should be amended to the effect that caretakers should be subject to inspection by the board, the chairman of the committee of building, the building commissioner or other on such action as the committee considered necessary. Also that the complaints should be made in writing and a copy sent to the board, and that it is provided that any caretaker who is found guilty of any offense, he is to be removed from his position.

To Remain on Staff

It was decided that in the case of Mrs. McLean, whose husband has not yet married, should remain on the staff as a supply teacher.

Holiday for Picnic

Following an application by the ardent supporters of the picnic, the board granted to grant the employees a half-day off on Aug. 22, so that they may attend the civic picnic in honour of the Queen.

Leave of Absence

As she goes overseas to teach in London, Miss E. M. Switzer, from Vancouver, will be absent from her post on account of the state of health of her mother, who is the kindergarten director, at the re-opening of the schools, but hoped to do no damage to her work. Miss Switzer was given leave of absence for a year.

A communication was received from Miss L. M. Switzer, from Vancouver, in which she stated that she was unable to account for the absence of her mother, director of the kindergarten, at the re-opening of the schools, but hoped to do no damage to her work. Miss Switzer was given leave of absence for a year.

A similar privilege was given to Miss Switzer.

Boyle Street School Teachers

It was decided to re-arrange for teachers for the Boyle Street temporary school at the Boyle street site.

## SLIGHT AUTOMOBILE ACCIDENT OCCURS THURSDAY EVENING

The case in which a Dodge roadster lost control and ran into the police headquarters on Thursday afternoon, and from a personal interview with the police, it would appear that in this instance the driver was severely injured on his opponent.

According to the statement of Arthur E. Egan, of the Dodge company, he was backing his car into the police station at 182nd street, opposite Meeker. Lines, noon, when a Dodge roadster operated by J. Crotal, of the Royal Canadian Legion, struck the roadster considerably suddenly and crashed into the former.

As a result of the impact the left rear wheel and left rear mud flap of the Ford car was broken.

## DEPICTS WEST THE FIELD OF CLOTH OF GOLD

(Continued from Page One)

The delegates before they left for California, where they will stay for another month, will be taken by motor to Banff.

Mr. Egan, who is president of the Royal Canadian Legion, said:

"I am going to the West Coast to see what Stand by Canadian Right means."

Mr. Egan, K.C., who desired the British Columbia Bar to accept his application to stand by him, was the first to stand up for him.

This declaration, newspapered,

caused a furor among the legal profession.

## DENTAL RESEARCH FOUNDATION FORMED AND INCORPORATED

OTTAWA Aug. 19.—For the purpose of carrying on dental research throughout Canada and as a permanent memorial to dentistry's part in the war the Canadian Dental Research Foundation was organized and incorporated officially at a meeting held here today. The foundation is a non-profit organization which will have as its object the promotion of dental research and the encouragement of dental education.

The foundation will have a fund of \$100,000, of which \$20,000 will be contributed by dentists and the remainder by the Canadian Dental Association.

## Around the City

### HARVEST WORK IS GENERAL IN NORTH COUNTRY

Bumper Crop Conditions Are Recorded From All Principal Points on Railways

Wonderful crop conditions generally and a commendation of cutting operations are the chief points along the line of the Edmonton, Dunvegan and British Columbia and the Alberta and Great Waterways railways, are reported to-day. The grain rates on the railway systems from various railway agencies.

Grande Prairie reports that cutting has commenced and the grain rates for a bumper crop and from Clairmont over the last week have been set up. Smith neighborhood binders are working on the large crops of barley. Production is reported to be excellent and also excellent with the promises of record.

Spirk River reports that cutting will be general on Monday next. At this point the grain rates are extremely well and are filling out rapidly.

Grain rates for wheat and barley grains as well as hay is reported from Peace River while High Prairie reports that cutting is well under way.

Grain cutting will be general in about a week in the McMurray district.

At this point, conditions are very fair and grain rates are good. Some locations cutting has started.

Progressive reports from Grande Prairie report that cutting is expected to be general next week.

### NORTHERN TRAINS WILL BE HELD UP SEVERAL DAYS

Washout on Lesser Slave Lake Shore Proves Serious for Operation

The heavy gale which has blown with terrific force across Lesser Slave Lake caused considerable damage to the line between the Dunvegan and British railway which officials announced that a resumption of train service as far as Grande Prairie would not be possible for four days.

The afternoon's train which departed from this city was proceeded only as far as Smith, the arrival of which was delayed by the weather beyond this point.

Chief Engineer McGregor and Chief Engineer Reid are now in the region of North Battleford to bring into this city the Edmonton passenger train. Reports stated that the train would arrive at Edmonton until some time late Thursday.

The points particularly affected by wash-outs are between Miles 169 and 176.

### PLAN SCHEME FOR COLONIZATION IN WEST. CANADA

J. E. Brown Attends Meeting of Western Colonization Association in Regina

J. E. Brown, manager of Mountain Wholesale Ltd., and a past president of the Edmonton Board of Trade left the city Thursday morning to attend the meeting of the Western Colonization Association to be held in Regina Friday.

The meeting will be a discussion as to how best the association can help in the work of settling up the vacant arable lands of the west, of which the total area involved in the description amounts approximating one million acres.

Manitoba, Saskatchewan and Alberta are represented at the meeting which is to be conducted under the chairmanship of M. A. McLean.

Eastern and Western business interests are represented in the Western Colonization Association in its efforts toward land settlement and the financial cost of the work will be determined by the men of the west.

The outcome of the meeting will be the launching of a definite program of action for the settling of the arable lands of Manitoba, Saskatchewan and Alberta.

### LAST OF CONVICTS AT PENITENTIARY MOVE NEXT WEEK

Will Be Taken to Stony Mountain to Serve Rest of Terms

The balance of the convicts at the maximum penitentiary, twenty-five in number, are expected to leave Edmonton over the period of three days starting Monday morning of next week. In a speedily guarded car they will travel to the Stony Mountain prison.

These men were retained at the Edmonton prison during the carrying out of the work entailed in the general dismantling of the building.

It is expected that the short term men having come back a few more months to serve.

Irishmen to Hold Meeting in Dublin

London, Aug. 13.—Irishmen of moderate views concerning the problem of Home Rule are to meet in Dublin from all parts of Ireland Tuesday for a conference. This meeting, organized by the "Irish Daily Mail," has been endowed with £1,000 by Mr. John Redmond, a change in policy in Downing Street." The house of commons' statement that the Irish rebels would be given autonomy until some time late Thursday.

The points particularly affected by wash-outs are between Miles 169 and 176.

### NORMAL TRAIN SERVICE AGAIN ON C. N. R. WEST

Considerable Track Has Been Damaged by Forest Fires at Blue River

Normal train service on the Canadian National railway of this city was suspended Saturday morning when the first west of Blue River, has now been resumed resulting in information given by railroads officials that the track will be ready again by noon Monday morning.

This morning's train consolidated with that which should have reached this city Saturday evening, and was unable to arrive here after 1 o'clock Thursday evening, due to the damage.

It is declared here that the heavy snow which fell Saturday night has not been as bad as was previously reported. Several miles of track had been washed away and the bridge at Blue River badly burned.

### COLEMAN PROVES HIS INNOCENCE IN MURDER MYSTERY

Vancouver, Aug. 19.—The murder of Mrs. Alma Sampson at a Great Northern hotel on a quiet street here late Monday night is still a mystery.

William Coleman, who was

held as a material witness has been released and it is now certain that neither man had any connection with the case.

Coleman, who was arrested on suspicion of having been

involved in the killing, was

released on condition that he

not leave town without permission.

The 4,500 k.w. unit will be altered to 3,000 k.w. sometime in order to see if the repairs are perfectly effective before the two 2,000 k.w. units, which have both to be overhauled, are put back into service.

It is expected that the electrical plant at the water works will be put into operation

shortly and that complaints about the lack of pressure in the large city will be greatly relieved.

Also, there will soon be more electrically lighted streets, lighting which a number of citizens will rejoice to hear.

Now is the time to begin taking ENO—

the simplest and easiest

medicine there is,

and which brings

relief from pain quickly.

### COMMITTEE TO CONSIDER STREET RAILWAYMEN PAY

A. M. McNutt Has Now Been Selected to Represent Street Railwaymen

Can Men

It is understood that a start will be made with the work of the committee that is to arrange a new rate of pay for the street railwaymen.

John G. Goss, who has been appointed as the representative for the city on the committee, and M. M. Smith, of the Goss & Company office, has been selected by the street railwaymen to represent them. The two will now appoint a third member to the committee, which will then be complete.

The dispute is over the time of the power shortage, when crews on the street railwaymen being laid off their pay for the period should all be on pay.

The pay particularly in question are the rates which the union representatives are trying to get through the agreement were finally put through.
